Traveling Thursdays

Harley Davidson Museum, Milwaukee WI

If you were lucky enough to be at the Harley Davidson Museum on June 24th, Bill Davidson was talking to the crowd and signing autographs. If you have not been to the museum, it's a great place to visit. "You get to see all the great bikes from the beginnings of Harley, the bikes they made for the war effort for the United States and some of the cool new stuff that's out as well," explains David. "You can see helmet designs, gas tank designs, all kinds of crazy stuff inside the museum, it's worth checking this out if you're traveling through the Midwest," finishes David. While you're at the museum you can sign up for a tour, shop in the retail stores, have a bite to eat at the restaurant and tour the exhibits. For more information, visit <https://www.harley-davidson.com/us/en/museum.html>

Bike Night Lake Shore Harley Davidson

Motorcycle Safety Lawyers® took Traveling Thursdays to Lake Shore Harley Davidson for Bike Night. It was a fun-filled evening with good music and great company. The band, Six String Crossing, played all night and kept everyone energized. Lake Shore offered a huge Clearance Sale on many of their clothes and vendors also displayed their wares including homemade cannoli, spiritual keepsakes, fresh local honey, and jewelry. Food was provided by The Gilty Pig and a good time was had by all.

FOUNDING MEMBER

Veterans Path to Hope

The 3rd Annual Veterans Path to Hope Motorcycle Run took place on Saturday, July 9th. It left from Woodstock Harley Davidson with 3 stops ending at Niko's Red Mill Tavern. Besides the fabulous raffle prizes, there was a live auction for a guitar signed by all the band members of Styx that was generously donated by STS Concert Sound. Proceeds from the ride are used to support 8 different programs that benefit the veterans they serve.

Dash for Nash - July 10, 2022

It was a beautiful day for DASH FOR NASH, a 60-mile ride lead by Doug Jackson starting at Woodstock Harley Davidson and ending at Niko's Red Mill Tavern with food and live music. 100% of the funds raised from the ride are donated to life-saving gene therapy treatment for an ultra-rare neuromuscular disease called SMARD (www.smashsmard.org). Nash Stineman, from Lincolnshire, IL is a 5-year-old boy that suffers from SMARD. Brittany and Bobby Stineman started a non-profit called smashSMARD to help fund research for this disease.

Meet the Youngest Member to Join the Motor Maids

You never know who you'll meet at the Peotone Swap Meet. We had the privilege of meeting the youngest member to join the Motor Maids organization, Sandee Bennett. Sandee started riding her first Harley 165 at age 11. She began attending Motor Maids meetings shortly after that and officially joined the club at age 14, as their youngest member. She remained with the organization for over 30 years and still enjoys riding today. The Motor Maids was established in 1940 as one of the first women's motorcycle groups and has been called the oldest existing women's club in the United States.

Do You Have Proper Insurance Coverage?

David "Vegas" Shuman at Axehead Lake.

Join David Shuman, CFO of Motorcycle Safety Lawyers® (MSL) as he discusses the importance of having the proper motorcycle insurance coverage to protect you and your family in the event of an accident.

"It doesn't cost that much more money to have the right protection", says David. "We want everyone to be aware of how much the medical costs, bills and lost wages could be in the event of an accident, and what type of coverage provides the most benefit. This is not something the insurance companies will tell you," explains David.

If you are interested in obtaining a FREE insurance evaluation, please email the declaration page from your policy to David@motorcyclesafetylegal.com. He will review your information and tell you what you need to say to your agent to get the best possible coverage to protect you, your family, and the things you care about.

Women in the Wind - July 16th

Motorcycle Safety Lawyers® was proud to sponsor the Women In The Wind at their Summer International Meeting held at Devil's Head Resort, Merrimac, WI. David had a chance to chat with Becky Brown, the founder of the organization, between meetings. He learned that the group began back in 1979, when Becky put an ad in a local newspaper looking for any women riders that wanted to meet up and enjoy a ride together. That small gesture created an organization that has evolved into 130 chapters in 8 different countries! To learn more about this organization, visit www.womeninthewind.org
