We would like to thank all the artists who generously gave their valuable time and talents for this great cause. The helmets will continue to be auctioned at MECUM Auctions throughout 2023.

Every 33 minutes, a child in the U.S. is diagnosed with cancer. This one-of-a-kind fundraising event brings awareness and helps raise money for childhood cancer research.

Guess Who Bought the Winning Helmet Design?

The winner of the "Art from the Heart" helmet competition went on the auction block and was bought by non-other than **Mike Wolfe** from **American Pickers**. Mike was at the auction with several vintage motorcycles from his own private collection. His antique bikes were on display for viewing and several of them crossed the auction block and were sold.

Curing Kids Cancer was very excited when the bidding escalated to \$17,000 and Mike Wolfe was announced as the winner.

Grainne Owen, Co-Founder and President of Curing Kids Cancer thanks Mike Wolfe

Part of Mike Wolfe's private collection was auctioned off at MECUM

But the story gets even better. The helmet was packaged up and ready to be delivered to Mike. Mike responded that he believes in what Curing Kids Cancer is doing, he wants to support their efforts, and that Curing Kids Cancer could make even more money if he gave the helmet back so it could be auctioned again!

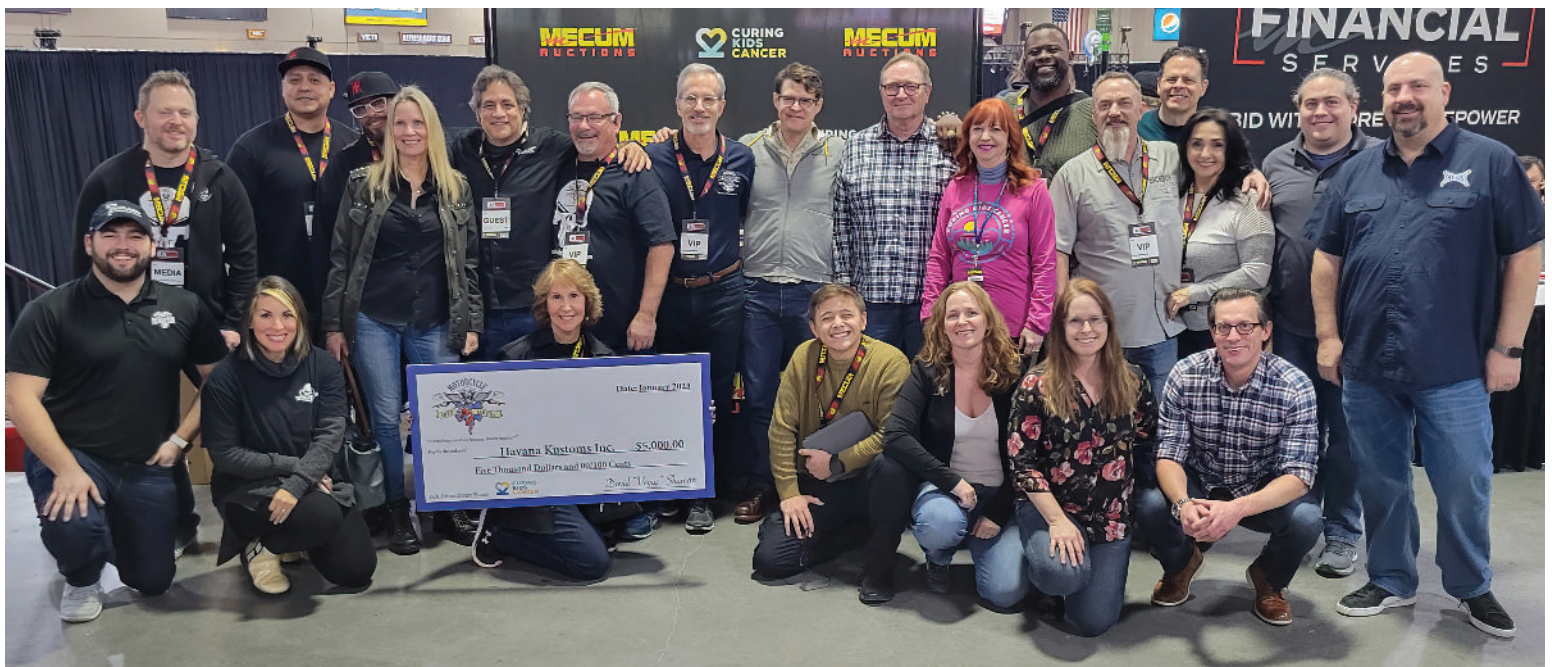

So, the winning helmet will once again be hitting the auction block at a future MECUM auction!

Thanks Mike!!

National Academy of Motorcycle Injury Lawyers Supports Curing Kids Cancer?

The National Academy of Motorcycle Injury Lawyers (NAMIL) showed their support for Curing Kids Cancer (CKC) with their generous donations at the MECUM Motorcycle Auction. Their collaborative show of support meant a lot to Grainne Owen, president of CKC who commented that she was overwhelmed with happiness when many of the NAMIL members gathered around her booth.

Thank you to all the members of NAMIL. Your donations will go to fund research that will find cures for childhood cancer and help save a child's life.

Property of No One (PONO) Holiday Party

When all these ladies get together.....it's bound to be a great time! Motorcycle Safety Lawyers® (MSL) was honored to be invited to speak at this year's PONO Holiday Bash on January 8, 2023. Jean "Jeannie" Andersen and Larry "Bear" Stotts discussed how MSL is invested in our community and supports many charitable organizations. MSL also provides FREE insurance evaluations (we don't sell insurance) and our National Biker VIP Card™, a roadside assistance program for motorcycles. MSL also sponsors Accident Scene Management Classes (which many of the ladies have attended). And of course, we provide **FREE** legal advice if you experience a **Motorcycle** accident, or ANY **Personal Injury** accident (car, bike, truck, boat, bus, e-bike, dog bite, slip and fall, workers' compensation, etc.).

The event was held at Niko's Grill & Pub in Marengo, IL. PONO members all enjoyed great food, drinks, party games, music, dancing, and the fellowship and camaraderie of being together. A fun "grab bag" Bandana exchange took place along with some great raffle prizes. Everybody had a fun time, and we can't wait to get together again! A huge thank you to Roberta and Stacey for organizing this event.

Do You Have Proper Insurance Coverage?

David "Vegas" Shuman at Axehead Lake.

Join David Shuman, CFO of Motorcycle Safety Lawyers® (MSL) as he discusses the importance of having the proper motorcycle insurance coverage to protect you and your family in the event of an accident.

"It doesn't cost that much more money to have the right protection", says David. "We want everyone to be aware of how much the medical costs, bills and lost wages could be in the event of an accident, and what type of coverage provides the most benefit. This is not something the insurance companies will tell you," explains David.

If you are interested in obtaining a FREE insurance evaluation, please email the declaration page from your policy to David@motorcyclesafetylawyers.com. He will review your information and tell you what you need to say to your agent to get the best possible coverage to protect you, your family, and the things you care about.
