Fun In The Sun At Daytona Bike Week

What could be better than Motorcycles, sunshine, seeing old friends and meeting some new ones? **Motorcycle Safety Lawyers®** did just that at the recent Daytona Bike Week in March. There was a full calendar of events starting on March 3rd and concluding on March 12th that included motorcycle racing, concerts, parties, street festivals and more.

Daytona Bike Week started back in 1937 as the Daytona 200 race. This first race was 3.2 miles on a beach and pavement course. Ed Kretz, from California, won riding an Indian motorcycle going an average speed of 73.34 mph. Daytona Bike Week has since grown significantly, and attendance is estimated to be around 500,000 for the 10-day event.

Motorcycle Safety Lawyers® Sponsors Flying Piston Benefit Builders Breakfast And Charity Auction

Motorcycle Safety Lawyers® was happy to partner with Marilyn Stemp to sponsor **The Flying Piston Breakfast** on March 6th during Daytona Bike Week. The Flying Piston benefit was an opportunity for attendees to meet the bike builders, bid on custom artwork and have breakfast while supporting the All Kids Bike charity. All Kids Bike's mission is to teach every child in America how to ride a bike in their kindergarten PE class. This gets them off screens and keeps them engaged with other kids. All the proceeds from the event went to benefit a rider training program through All Kids Bike.

BMW Clubs Host Accident Scene Management Class For Members

The Chicago Region and Northern Illinois BMW Clubs joined forces with the Road Guardians to host a **Level 100 Accident Scene Management Class (ASM)** for its members. The class was held on March 11, in Algonquin at the Algonquin Township Building, 3702 US-14 Crystal Lake, IL 60014.

Motorcycle Safety Lawyers® (MSL) was on site as a sponsor of the event. Each BMW member paid \$35 to receive the training and MSL paid the balance of \$115. MSL provided pastries, coffee, a catered lunch, beverages throughout the day, and more! David "Vegas" Shuman was on hand to offer **FREE Insurance Policy Reviews** to the attendees and answer questions. Attendees brought their insurance declaration page to the training and learned what questions to ask their agent to provide them with better protection for themselves and their families in the event of an accident.

ASM classes teach what to do if you are in, witness, or come upon a motorcycle accident. Our ASM Motorcycle Safety Courses are far more valuable than your license to ride! Be prepared IF a rider goes down! Learn how to save a life and reduce injuries! You will be amazed at the confidence you will gain from your new knowledge and skills. **Call Larry "Bear" Stotts at 847-997-8403** or email him at Larry@motorcyclesafetylawyers.com to find out more about ASM classes and how you can sign up. For a **FREE** insurance evaluation, just email a copy of your insurance policy **declaration page** to David@MotorcycleSafetyLawyers.com or call David at 224-392-1600 if you have any questions.

Your Motorcycle Is Ready To Ride, How About You?

You've gone through the checklist to prepare your bike for riding season, but how about you? Are you fully prepared in the case of an emergency? No one "plans" to have a breakdown, or worse yet an accident, but if that happens there are a few things you can do to minimize your exposure and provide you and your family with the coverage that you need.

First is **Motorcycle Safety Lawyers® National Biker VIP Card™**. This roadside assistance program provides motorcycle tows, jumps and up to 3 gallons gas delivery (pays up to \$300 per disablement) per year. Plus, the VIP card provides many additional benefits that can be found at <https://motorcyclesafetylawyers.com/product/national-biker-vip-card/>. All this is yours for the low price of \$59.95 per year per bike. And, to add a second bike is only \$5.00! Compare that to your current roadside assistance program and you'll see *there is no comparison!*

Second, we would like the opportunity to provide you with a **FREE Insurance Policy Review**. We are NOT an insurance company, nor do we sell insurance. This **FREE** service is 100% about making sure that you have the right amount of coverage to provide for you and your loved ones in the event of an accident.

We encourage you to get your **FREE insurance policy review** now, before riding season begins. It's easy to do, just email a copy of your insurance policy **declaration page** to David@MotorcycleSafetyLawyers.com or call David at 224-392-1600 if you have any questions. David will be happy to review your policy and respond with recommendations that you can take to your agent if needed.
