Hit The Swap Meets To Find What You Need!

Jean "Jeannie" Andersen at Walneck's Swap Meet

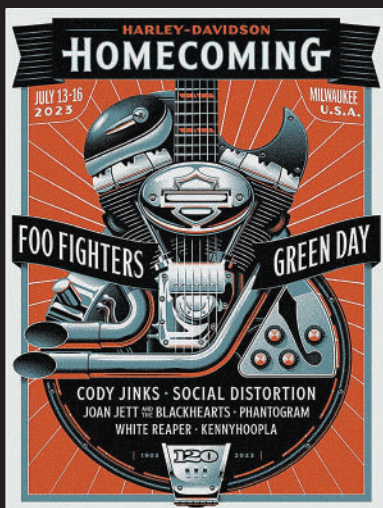

Now is the time to find that special accessory you've been hunting for. Or maybe sell some spare parts you no longer need or catch up with some old friends. It's time to hit the swap meets.

Motorcycle Safety Lawyers® was on site to greet all our friends at the **Walneck's Swap Meet and Car Show in Woodstock, IL**. The weather was a little cold (about 35 degrees) but the crowds were still out and about. We had a great time talking with everyone, passing out our **FREE swag** and giving people the opportunity to

sign up to win \$20,000 toward a motorcycle of your choice.

The **Peotone Swap Meet** was next on May 7th. It was a much nicer day for the vendors and the attendees. If you've never been to a swap meet, please make it a point to try and visit one over the summer. It's a great time with lots to see and do, fun activities, food, and everything you could want regarding new and used motorcycle parts....and more. Take a look at our event page for the summer schedule and make a point to stop by and see us.

Ride Janie Ride 2023

The day was sunny, the rain passed us by, and Mother Nature cooperated for the **17th Annual Ride Janie Ride Foundation Charity Ride**.

Approximately 540 motorcycles participated in the 50-mile fully escorted ride from **Illinois Harley Davidson** in Countryside to **CD&ME** in Frankfort, IL. At the conclusion of the ride, there were approximately 1200 people at CD&ME, where many non-riders joined the after-party for the festivities.

Along the 50-mile route, the motorcyclists received tremendous support from people standing on the sidelines filming the bikes as they went by, holding up signs in support of **Ride Janie Ride**, and cheering and waving to the riders as they passed.

A huge **Thank You** goes out to all the support provided for the fully escorted ride including the 23 cars and deputies from Cook County, 16 cars and deputies from Will County and additional support from Hodgkins, Countryside, Lemont, and New Lenox.

In addition to **Motorcycle Safety Lawyers®**, there were 57 additional sponsors that supported the event. It “takes a village” and between the sponsors, Luke’s staff and supporters, the event was executed flawlessly, and everyone had a great time.

Ride Janie Ride’s namesake “**Jane Bawel**” was in attendance and had the opportunity to speak on stage. Many past recipients of the Ride Janie Ride Foundation were also in the house and continue to attend the event year after year. The ride not only provides monetary support for the recipients and their families, it also provides spiritual and emotional support for these families and creates a sense of community for them.

The monies raised from the **Ride Janie Ride Foundation** will be divided up among the 4 recipients of this year’s ride. It takes a lot of planning, coordination, and teamwork to pull off an event of this size. Fundraising activities besides the ride itself included raffles, 50/50, silent auction and live auction items all available to the crowd.

Save the Date: The 2024 Ride is in the planning stages and will be held on **Sunday, May 5, 2024**. We look forward to seeing you again at **Ride Janie Ride**.

Have You Visited EagleRider Yet?

Danny Brown and David "Vegas" Shuman at Eagle Rider in Des Plaines, IL

David "Vegas" Shuman recently rented a Tri-Glide from **EagleRider Rentals & Tours, Chicago** and wanted to share his experience with our readers. EagleRider is located at 415 W. Touhy Ave., Des Plaines, IL 60018. After returning the rental, our crew spent a few hours with **Danny Brown**, the General Manager, learning about the services EagleRider offers and their stock of available motorcycle rentals.

This is a new location for **EagleRider Rentals & Tours** that just opened in April. Under this roof you will find approximately 150 new 2023 Harley Davidson motorcycles available for rent. That includes the full fleet of **Harley Davidson** bikes including all models. EagleRider also carries the full fleet of Yamahas, including sport bikes. They also rent quite a few of the smaller Yamaha bikes frequently used to pass the motorcycle road test since the DMV is right down the street! Just something to keep in mind.

General Manager, Danny Brown has been riding motorcycles his whole life. His father owned Chicago Harley Davidson for 35 years. Danny grew up riding and racing dirt bikes and continues his love of riding today. Danny started with EagleRider in the **Group Tours** area and then moved into the position of **General Manager** of the Chicago Location.

Located 10 minutes from O'Hare, **EagleRider Rentals & Tours** makes it easy to fly in, rent a bike, and be set for the duration of your trip. And if you are not happy with the model you rent after test riding it, just bring it back and try a different model. They will work with you to make sure you are comfortable with your bike rental. Safety is always their number one priority.

While you are there, check out the **Club EagleRider Membership** program. There are different levels that offer different perks. Please stop by and talk to Danny about the different programs or visit <https://www.eaglerider.com/motorcycle-club> for additional information. The EagleRider website also has information on the most popular Motorcycle Tours, Guided Tours, Self-Drive Tours, and Motorcycle Trips. Danny says, *"It's like having a motorcycle in your suitcase"*. The club credits can be used domestically as well as in many international locations.

You will also find **EagleRider** at many of the Motorcycle Rallies including Sturgis, Daytona Bike Week, Biketoberfest, Laconia bike week, etc. Visit **EagleRider.com** for more information on bike rentals or the different memberships available. If you have questions, call 224-603-6047 or email Danny at DannyBrown@eaglerider.com

Your Motorcycle Is Ready To Ride, How About You?

You've gone through the checklist to prepare your bike for riding season, but how about you? Are you fully prepared in the case of an emergency?
