# Fans Made Motoblot 2023 A Success!

For those of you that may not know, **Motoblot** has its origins in Norse-Pagan culture. The word “**Blot**” was a gathering for worship or with sacrifice, therefore **Motoblot** is a gathering for all things “Moto”.

This annual event attracts over **20,000 attendees** and takes place in the West Town/Fulton Market neighborhood. This historic district once hosted many industrial and retail industries providing the perfect blend of grit against the backdrop of the beautiful, glittering downtown skyline.

The 3-day event takes over the streets with vendors, food, entertainment, bike competitions, dancers and of course, the Motoblot Pin-Up Contest.

As a sponsor of Motoblot, **Motorcycle Safety Lawyers®** greeted everyone with **FREE** swag, made some new friends, and talked to attendees about their legal and personal injury concerns. We also gave **FREE** insurance reviews to attendees on their current coverage, with suggestions to take back to their agent on the types and amount of coverage needed to protect them and their families in the case of an accident. It was a busy event!

# Harley-Davidson's (H-D) 120<sup>th</sup> Anniversary Was Quite The Ride!

*There were bikes parked as far as the eye could see!*

Hundreds of thousands of H-D fans and motorcycle enthusiasts gathered from around the world to attend **Harley-Davidson's 120<sup>th</sup> Celebration**. There were over **130,000** attendees over the four-day event with people coming from as far as Germany, Russia, and the Czech Republic. They all own Harleys and feel connected by the brotherhood of **Harley-Davidson (H-D)** motorcycles. Everyone was happy, smiling, and friendly. The mood was good, the music was great, and the motorcycles were there in record numbers.

Parking was at a premium with motorcycles filling the bridge from one end to the other. The bridge became closed to the public and a parking lot for the bikes. That's in addition to all the land surrounding the Harley Museum Campus. Vehicles parked as far away as American Family Field and were shuttled to the Museum Campus. An estimated **73,000** bikes lined the museum grounds and Sixth Street over the course of the event setting a record for attendance!

But the excitement was not limited to just the main campus. Six **Harley-Davidson Dealerships** in and around Milwaukee also participated in the fun with their own special events including live bands, food, and merchandise vendors. Many riders traveled from dealership to dealership to check out the music, do a little shopping and grab a bite to eat.

In addition to the musical options at the **H-D Campus** and dealerships, the headliner bands **Green Day** and **Foo Fighters** held concerts at Veterans Park. Crowds of more than **80,000** moto and music enthusiasts attended the shows throughout the weekend. **Motorcycle Safety Lawyers® (MSL)** raffled off **2 VIP Tickets** for the Friday night concert and the winner, **Nick Veruchi**, and his guest joined **MSL** for a great show.

The 4-day festival concluded with the 5-mile long, **Harley-Davidson 120<sup>th</sup> Anniversary Motorcycle Parade** which left from American Family Field and traveled through the heart of downtown Milwaukee. **7,000** motorcycles participated in the parade!

*The bridge became a parking lot for bikes.*

*Winner of the 2 VIP Raffle Tickets Nick Veruchi with guest and David "Vegas" Shuman*
