Packing Meals For Feed My Starving Children Together!

Motorcycle Safety Lawyers/Lake Shore HOG members Larry "Bear" Stotts, Jean "Jeannie" Andersen and David "Vegas" Shuman joined other Lake Shore Chapter Members for an evening of volunteer work, packing meals for the **Feed My Starving Children** organization in Libertyville, IL.

Feed My Starving Children believes that hope starts with food, and they want to see every child whole in both body and spirit. Donations to this organization are used to fund the meal ingredients and then volunteers hand-pack the meals. Food partners around the world distribute the meals and remain with the communities to empower them to move from relief to development. The meals help supplement nutritional needs and reduce problems with malnutrition so children can grow, thrive, and develop to their full potential.

There are multiple ways to be involved with **Feed My Starving Children** including packing up the meals like we all did. Some of us worked in the warehouse, some packed and some labeled the cartons. And, it was a lot of FUN with stations competing against each other and shouting out every time they finished a case of food!!!

In the chicagoland area, there are multiple locations to help, including Libertyville, Schaumburg and Aurora. Please visit <https://www.fmssc.org/> to learn more about **Feed My Starving Children** and the opportunities available. Set up your own packing event with your friends - you'll have a great time while helping to feed a child.

Toys For Tots 2023 Motorcycle Parade

The **Chicagoland Motorcycle Parade Toys for Tots** took place on a wet and chilly December 3rd. Even with the soggy weather, our biker brothers and sisters came out to support this worthy cause.

Of course, Santa rode in with Mrs. Claus and all his helpers. The toys kept rolling in, with volunteers filling up the semi-trucks staged in the parking lot to collect all the donations.

Motorcycle Safety Lawyers® was on hand to pass out **FREE** Swag to all the riders and help support the Chicagoland Motorcycle Parade Toys For Tots organization and the great work they do!

Santa wants to see every child receive a toy!

Motorcycle Safety Lawyers® To Sponsor 10 Kids In Boxing Program!

There are still spots available! Take advantage of this opportunity for your qualifying child!

Motorcycle Safety Lawyers® will sponsor 10 children, from the Chicagoland area, to participate in the **LifeTough Kids Boxing Club (LifeTough)** program. **LifeTough** is a program designed for kids aged 6-16. It helps kids develop discipline, work ethic, and defense tactics while teaching them life skills to become strong, confident adults through boxing and martial arts.

No experience is necessary to participate in the **LifeTough** program. The program is tough and challenging. It builds confidence and self-esteem while teaching the kids how to protect themselves.

To qualify for consideration, the child must be a member of a **Gold Star Family**. A **Gold Star Family** has experienced the **loss of a parent who served in the line of duty**. This applies to not only **military personnel, but also police officers, firefighters, and all first responders**. Losing a parent is an indescribable hardship for a child. These children are left without the guidance and support of a parent. It's crucial to provide these kids with opportunities to thrive and grow. The **LifeTough** program offers these children **free classes for life**. It's a unique opportunity and **Motorcycle Safety Lawyers®** is stepping up to help.

If you know a child from a Gold Star Family that could benefit from this type of program scan the QR code and complete the entry form.

The **1st 10 children** that apply, qualify, and are approved for the program, will be sponsored by **Motorcycle Safety Lawyers®!**

Want to see what the program is about? Join us at **FIGHT NIGHT VII** for a ring-side view of the **LifeTough Kids Program** in action. Mark your calendars for **January 20, 2024**. The location is **St. Eugene's Gym, 7930 W. Foster Ave. Chicago, IL 60656**. We look forward to seeing you there!

Christmas With A Cause – “The Rebel Cause”!

It was a magical night for everyone that attended the **Rebel Cause** Christmas Party. In addition to the great food (my compliments to the chef), and an awesome dessert bar, there was a visit from the big man himself “**Santa**” with presents for all the children!

And the adults had fun too with a chance to Jingle and Mingle with their brothers and sisters while listening to live music and enjoying the festivities.

Motorcycle Safety Lawyers® Jean “Jeannie” and Larry “Bear” enjoyed spending time with **Steve and Angel Amella**, and the entire **Rebel Cause** family, celebrating the holidays and helping make the night extra special for all the kids.

Santa made a special stop with presents for all the children

Motorcycle Safety Lawyers® Adopts 2 Families For The Holidays

Motorcycle Safety Lawyers® (MSL) sponsored and participated in the **Nevada Adopt-A-Family for the Holidays 2023 Program**. MSL adopted 2 families in the program and **David "Vegas" Shuman** was present to meet both families and enjoy the festivities along with them. A group of volunteers put this wonderful program together to help 20 families, dependent on school lunch programs, to have a more enjoyable, Merry Christmas season.

Santa made a special appearance to meet and greet all the children in attendance. And, of course, there were presents. In all, 45 children received a bicycle and toys to make their holiday extra special! Each family also received a large tub of food products, a frozen turkey, and much more, to take home to help feed their loved ones while schools are closed.

The families all enjoyed an abundance of great food while listening to the D.J. play Christmas music. All in all, the Nevada **Adopt-A-Family for the Holidays 2023 Program** was a huge success and **Motorcycle Safety Lawyers®** was honored to participate.
