## Chuckalooza Memorial & Musicfest!

In loving memory of Uncle Chuck, **Chuckalooza Memorial & Musicfest**, took place on Sunday, August 18<sup>th</sup>. The ride started at The Korner House in Elk Grove Village with 2 stops along the way and finished back at The Korner House. Live Pete & Smokin Gunz provided the music, while The Vixen Girls entertained the crowd. Suicide Machines Clothing was there with this year's custom, Chuckalooza shirts for sale. **Motorcycle Safety Lawyers<sup>®</sup>** passed out **FREE** swag, signed people up, and raffled off a Trauma pack to one lucky winner!

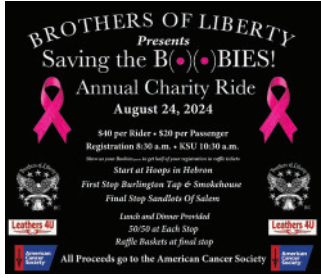

## Saving The Boobies Ride Makes A Difference!

The **Saving The Boobies Annual Charity Ride** took place on August 24, 2024 this year, and what an awesome event it was! Put on by the **Brothers of Liberty**, it takes 12 months and over 30 volunteers to plan and put this ride together. This year there were approximately 205 bikes and close to 400 people that came out to help support the cause. The ride celebrated those who have won their fight with breast cancer as well as those who fought fearlessly and lost their battle. All net proceeds from the ride go to the **American Cancer Society**.

**Motorcycle Safety Lawyers<sup>®</sup>** was honored to be a part of this event to promote Breast Cancer Awareness. A huge shout out to the Brothers of Liberty and all the volunteers that made this event so successful. Thanks for all you do!

# L.A.M.A. Chicago-West 14th Annual Pen and Pencil Run Was A Huge Success!

Once again, **Motorcycle Safety Lawyers® (MSL)** joined forces with the **L.A.M.A.** organization to help with donations of school supplies for the children of **El Valor**. With the help of several **L.A.M.A** chapters, **C-Line Products**, **Motorcycle Safety Lawyers®** and many others, the children of El Valor will have the school supplies they need for a successful school year. MSL would like to thank the many volunteers that plan and execute the Pen and Pencil Run to ensure that the children get what they need. It's a blessing for MSL to be involved with such great people working to help these kids. MSL appreciates everything that the L.A.M.A. chapters do for friends and family and backs them 100%!

# L.A.M.A. Midwest Regional Rally!

**Motorcycle Safety Lawyers® (MSL)** Motorcycle Safety Lawyers® (MSL) always enjoys getting together with our L.A.M.A. Brothers and Sisters, and the Midwest Regional Rally was no exception! MSL had a great time participating in all the events, meeting with the different chapters and members, learning and sharing stories with each other, and everything else that encompassed a great Labor Day weekend. From the Meet & Greet on Friday Night through the Award Ceremony on Sunday, MSL is always treated like “family”, and we really appreciate the warmth and fellowship that we have with this great organization.

## MSL Cares – Monticello Fire Department

As part of the **Motorcycle Safety Lawyers® (MSL) Cares Program**, MSL paid a visit to the Monticello, IN Fire Department with sandwiches, chips, and cookies, to show our appreciation and thank them for their efforts. They were very gracious and gave us an extensive tour of the firehouse and explained their roles and responsibilities. We learned some interesting information:

- They all pitch in money from their own pockets for meals while on duty. That money is used for groceries for their weekly meals. When a meal is donated, they have more money left in the fund to shop and can add some extras to their meal preparations for the week.
- The Personal Protective Equipment (PPE) that the firefighters wear on the job (pants, boots, helmet, etc.) weighs between 75 - 100 lbs. Then there is the extra equipment that is needed, depending on the type of call, that could add an additional 75 lbs. to their load.
- Firefighters need to be able to carry a body while wearing all the PPE listed above. The testing to become a firefighter, and remain a firefighter, is rigorous, and not only do they have to carry a body, but they have to meet a “time requirement” while performing the task.
- They still have the “fire pole” in this Fire Station.....just in case!

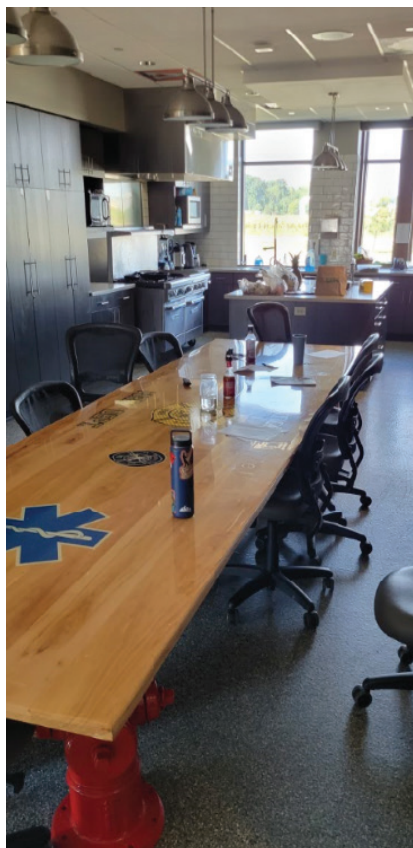

MSL wants to thank the Monticello Fire Department for their hospitality and the valuable services they provide.

## LifeTough Kids New Session Begins

The next 12-week session has just begun for the **LifeTough Kids Boxing Club**. **Motorcycle Safety Lawyers® (MSL)** was on hand to watch the 1<sup>st</sup> session for 3 different classes, pass out FREE swag to everyone and provide the kids with snacks after each class.

As a sponsor of the **LifeTough Kids Boxing Club**, MSL believes in the program and the valuable lessons that it teaches these kids. Not only does it teach boxing and self-defense tactics, but it also teaches kids to believe in themselves, respect others and patriotism. In fact, each class begins with the pledge of allegiance and everyone stands!

The two basic philosophies are 1. **HARD WORK PAYS OFF** 2. **No matter what...WE NEVER QUIT**. In the opening session, the kids get to meet their coaches and practice a variety of exercises, designed to help them reach their full potential. For more information on LifeTough Kids Boxing Club, please visit <https://www.lifetoughkids.com>.

# The Weather is Changing, and Road Hazards Can Be Anywhere, Are You Prepared?

You've gone through the checklist to prepare your bike for riding season, but how about you? Are you fully prepared in case of an emergency? No one "plans" to have a breakdown, or worse yet an accident, but if that happens there are a few things you can do to minimize your exposure and provide you and your family with the coverage that you need.

First is **Motorcycle Safety Lawyers® (MSL) National Biker VIP Card™**. This roadside assistance program provides certified motorcycle tows, jumps and up to 3 gallons of gas delivery (pays up to \$300 per disablement) per year. Plus, the VIP card provides many additional benefits that can be found at <https://motorcyclesafetylawyers.com/product/national-biker-vip-card/>. All this is yours for the low price of \$59.95 per year per bike. And, to add a second bike is only \$5.00! Compare that to your current roadside assistance program and you'll see **there is no comparison!**

Second, we would like the opportunity to provide you with a **FREE Insurance Policy Review**. We are NOT an insurance company, nor do we sell insurance or recommend specific insurance companies. This **FREE** service is 100% about making sure that you have the right amount of coverage to protect you and your loved ones in the event of an accident.

We encourage you to get your **FREE insurance policy review NOW**, before you actually need to use it. It's easy to do, just email a copy of your **insurance policy declaration page** to **David@MotorcycleSafetyLawyers.com** or call **David at (224) 392-1600** if you have any questions. David will promptly review your insurance policy and respond with recommendations for changes to

request from your agent / broker. For additional information visit <https://motorcyclesafetylawyers.com/free-insurance-policy-review/>

Third, purchase the **MSL Advanced Trauma Pack** and carry it on your motorcycle every time you ride. Visit <https://motorcyclesafetylawyers.com/shop/> to get yours today.
