2nd Annual Ride for Resilience

The 2nd Annual **RIDE FOR RESILIENCE** Motorcycle Ride took place on Saturday, May 17, 2025. It was hosted by **Angeles Del Silencio LEMC** and **Lake Shore Harley** in Libertyville. The ride was to benefit the Chicago Police Memorial Foundation and was open to the public. **Motorcycle Safety Lawyers®** was proud to be a sponsor of the event.

LAMA Lawton Ft. Sill Celebrates 1st Anniversary

On May 17th, several **LAMA** chapters rode to Oklahoma to support a new chapter started in [Lawton Ft. Sill](#) on their 1st Anniversary. You know you belong to a very special organization when your brothers and sisters ride from several different states to join you in your celebration! **Motorcycle Safety Lawyers®** supported the event.

Beats & Baggers Sound Competition & Bike Show

The bass was thumping and the crowd loved it, as the bikes competed in the **1st Battle of the Baggers Sound Competition & Bike Show** sponsored by **Cicada** and [Lake Shore Harley Davidson](#) of Libertyville. The customized motorcycles competed in several different categories for the top prize. There was food, drinks, raffles & vendors to keep the crowd engaged while the competition took place. **Motorcycle Safety Lawyers®** was on hand to support the event and pass out **FREE** swag to everyone!

Someone You Should Know - Meet Samantha Lay!

The Beats & Baggers Sound Competition wasn't just for the boys; there was a female in the mix who rebuilt her own bike and added the sound system by herself! Meet Samantha Lay.

Samantha started riding in 2016 on her first bike, a 2003 Sportster. From there she graduated to a Denim Gray Street Glide in 2023. Samantha has always been a do-it-yourself kind of girl, so when she looked to make a few upgrades to the bike, she decided to do it herself. That included tearing it down, repainting it, and installing her first stereo system!

Because Samantha is always striving to make it better, she is currently on her fourth sound system - and it sounds pretty awesome as demonstrated at the recent Beats & Baggers sound competition. Her current sound system includes uppers, lowers and woofers, and is run by 2 amplifiers.

Motorcycle Safety Lawyers® admires her talents, abilities and determination and we wish her well in future competitions.

What's next? We will have to wait and see . . . or hear!

Battle Betties 2nd Annual Scavenger Rally Ride

On June 22nd, **Suicide Machine Clothing** sponsored another unforgettable event hosted by **Rocky's American Grill** in Prospect Heights: the **Battle Betties 2nd Annual Scavenger Hunt Ride**. This one-of-a-kind motorcycle ride saw teams of bikers competing fiercely over the course as they hunted for 10 specific items, at 6 rally stops (VFWs, and Amvet Halls), capturing photos and videos along the way.

The event was a tremendous success, raising funds for **mission retreats** that support the recovery of our veterans and military personnel. Each mission retreat is specifically tailored to the heros' individual needs. At the conclusion of the scavenger hunt, participants gathered back at Rocky's for well-deserved drinks, music, food, and **FREE Swag** from **Motorcycle Safety Lawyers®**.

Motorcycle Safety Lawyers® supports **Battle Betties NFP, Inc.** in their mission - *To be a support and resource to all military personnel and their families, past and present. Through our core values of respect, compassion, and service, we will strive to raise awareness and fulfill the needs of these individuals to the best of our abilities.* For more information on Battle Betties visit <https://battlebetties.org/>.
