# LAMA Chicago-West Gets Kids Ready For Back-To-School

**LAMA Chicago-West** wants every child to succeed in school. And to succeed, children need the right materials. That's why LAMA has made it their mission to provide school supplies for over 200 children including backpacks, notebooks, folders, pens, pencils and more. This year marks the **15<sup>th</sup> Annual Pen & Pencil Run** for the kids of **El-Valor Carlos H. Cantu Children and Family Center in Chicago** – hosted by **LAMA Chicago-West**.

Donations were brought in by several local **LAMA Chapters** as well as **Motorcycle Safety Lawyers® (MSL)**. The supplies were organized on tables, and the children came through one by one and filled a backpack with everything they needed for back-to-school. El Valor provided hot dogs, chips and fresh fruit for everyone and the children expressed their thanks with hand-made signs.

**MSL** is always happy to participate with LAMA in their efforts to support the community.

## Do You Have The Proper Insurance Coverage?

Join **David Shuman**, CFO of **Motorcycle Safety Lawyer® (MSL)** as he discusses the importance of having the proper motorcycle insurance coverage to protect you and your family in the event of an accident.

"It doesn't cost that much more money to have the right protection", says David. "We want everyone to be aware of how much the medical costs, bills and lost wages could be in the event of an accident, and what type of coverage provides the most benefit. This is not something the insurance companies will tell you", explains David.

If you are interested in obtaining a **FREE** insurance evaluation, please email the declaration page from your policy to [David@motorcyclesafetylawyers.com](mailto:David@motorcyclesafetylawyers.com). He will review your information and tell you what you need to say to your agent to get the best possible coverage to protect you, your family, and the things you care about.
