## L.A.M.A. Midwest Moto-Touring Championship!

It's that time of year again, where L.A.M.A. hosts its Regional Rallies simultaneously around the country. This year **Motorcycle Safety Lawyers® (MSL)** was lucky enough to be able to sponsor and attend two of the rallies.

**MSL** always enjoys getting together with our L.A.M.A. Brothers and Sisters, and the **Midwest Regional Rally** in Monticello, IN provided the perfect opportunity! The 3-day event began Friday night with a Meet and Greet party. On Saturday, there was a ride and visit to the **Kersting's Harley Davidson World of Motorcycles Museum** and the event concluded on Sunday with the Banquet and Awards Ceremony. Sunday's event included great food, raffles, 50/50, music by DJ Tone, and a trophy and awards ceremony. **MSL** passed out **FREE** swag throughout the event and raffled off prizes to all the attendees.

We all enjoyed the companionship and camaraderie of hanging out with our **L.A.M.A.** family.

# LAMA Southwest Moto-Touring Championship!

The [L.A.M.A. Southwest Region Moto-Touring Championship](#) took place in Amarillo, TX and **Motorcycle Safety Lawyers® (MSL)** was honored to sponsor and attend this event. Riders from California, Oklahoma, Arizona and Texas traveled to Amarillo, TX for the 2<sup>nd</sup> Annual gathering. There was even a L.A.M.A. 'Paco' that rode down from Edmonton, Alberta Canada!

As a sponsor, **Motorcycle Safety Lawyers®** raffled off several prizes including **5 National Biker VIP Roadside Assistance Cards**. We also sponsored the **Trophies, Plaques and Medallions**, and honored the **Veterans** with our **Challenge Coins**. Finally, everyone received **FREE** swag!

**MSL** had a great time participating in both Regional events. We spent time meeting and reuniting with the different chapter members, sharing stories and updates with each other, and enjoying the Labor Day weekend. **MSL** is always treated like "family", and we really appreciate the warmth and fellowship that we have throughout the country with the **L.A.M.A.** organization.

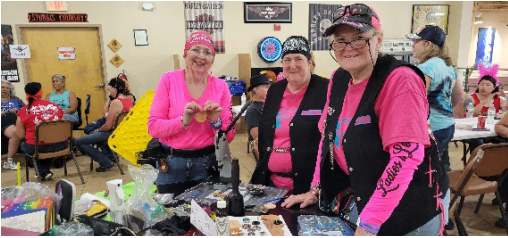

# Ladies in Leather Parade & Rally 2025

If you've never visited Rogers Arkansas in September, it's a beautiful place to be. And that's where the [Ladies in Leather Parade & Rally 2025](#) took place on September 11-14th. **Motorcycle Safety Lawyers®** had a great time sponsoring the event and participating in the many activities that took place. The first night was hosted by [A Bikers Garage](#). This is a unique property with a bike repair shop, museum and Airbnb. The owner is full of great stories, and you must stop by if you are in the area. The **Poker Run** began Friday morning with several stops including the [Switchback Bar](#), where many riders enjoyed lunch. The **Scavenger Hunt** was also happening with everyone trying to find the hidden QR codes to lead them to their next clue. Other activities included a Blood Drive, Food Drive, Leatherworking Class, Shirt Shred, Karaoke, Bling Class and more. The evening concluded with an Inflatable Costume Parade! How fun is that?

Saturday the Female Stunt Show took place with 3 ladies performing stunts on their bikes. At noon, the **LIL Parade** took off throughout the town with many onlookers standing on the sidelines waving to all the female riders. The afternoon had more classes and Biker Games, and the Biker Ball took place in the evening.

These ladies know how to throw a party! **Motorcycle Safety Lawyers®** passed out **FREE** swag, raffle prizes, and helped out wherever we could. The rally was a blast, and we can't wait to come back next year!

# LAMA Poconostock Was A Huge Success!

The Poconos in Pennsylvania have some great twisties that make for beautiful riding through the mountains. This backdrop set the scene for a great weekend at the [L.A.M.A. Poconostock](#) event. The kick-off was a Friday night **Pub Crawl** walking to 5 different establishments to collect wristbands for a prize. It was a great time and a nice stroll (or crawl) down Mainstreet in Stroudsburg, PA.

Saturday was the **10<sup>th</sup> Annual Jovi X. Caraballo Memorial Ride** that took us up into the mountains, just as the leaves were starting to turn, and back down again to the venue where the banquet was held. There were vendors set up outside and seating inside for the entire group with great food, music, raffles, games, 50/50, and a trophy presentation.

As a sponsor, **Motorcycle Safety Lawyers®** raffled off several prizes including **National Biker VIP Roadside Assistance Cards**, **Trauma Packs**, and **Gas Cards**. And of course, everyone received **FREE** swag!

*MSL also sponsored the trophies and donated a Chromebook laptop to this lucky winner!*

# Over 80% Of Our Community Does Not Have The Proper Motorcycle Coverage.

## Why Are You Risking You And Your Family's Future?

David@MotorcycleSafetyLawyers.com

Join David "Vegas" Shuman, CFO of **Motorcycle Safety Lawyers® (MSL)** as he discusses the importance of having the proper motorcycle insurance coverage to protect you and your family in the event of an accident.

"It doesn't cost that much more money to have the right protection", says David. "We want everyone to be aware of how much the medical costs, bills and lost wages could be in the event of an accident, and what type of coverage provides the most benefit. This is not something the insurance companies will tell you", explains David.

Unfortunately, it is far too common for insurance brokers and salespeople to tell you that you are **"Fully Covered"** when it comes to your motorcycle

insurance. Sadly, it's far from the truth. You may meet the state's minimum requirements, but it won't be enough to protect you and your family if you are involved in an accident.

There are many questions to answer in order to determine the proper coverage for different rider requirements and financial situations.

1. Have you made any modifications or customizations on your motorcycle, even if it was added by your dealer at the time of purchase? Perhaps a new sound system, custom paint job, etc. What is the total value of these modifications/customizations? Do you have receipts?

*If your modifications/customizations are not specifically listed on your insurance policy, you could get near "zero" for them if your motorcycle is seriously damaged in an accident.*

2. Do you ever take passengers for a ride on your bike, even for a short distance?
3. What accessories do you have on your motorcycle (LED warning lights, saddlebags, luggage rack)? What is the total cost? Do you have receipts?
4. What safety gear do you own i.e., helmets, pants, jackets, gloves, boots, air bag gear, radio, trauma pack and more? What is the total value? Do you have receipts?
5. What is the deductible on your health insurance policy?
6. Do you ride outside of your home state?
7. How much Uninsured Motorist coverage do you currently have?
8. How much Underinsured Motorist coverage do you currently have?
9. How much Medical Payments coverage do you currently have?
10. How much Accessory coverage do you currently have?

These are some of the questions that form the basis of determining the proper level of coverage that is recommended for you and your unique situation. I would welcome the opportunity to provide you with a **FREE** insurance evaluation, and it's easy to do. We do NOT sell insurance of any kind.

Simply email me the declaration page from your policy along with the answers to questions 1 through 6, at [David@motorcyclesafetylawyers.com](mailto:David@motorcyclesafetylawyers.com). I will review your information and tell you what you need to say to your agent to get the best possible coverage to protect you, your family, and the things you care about.

Please take advantage of this **FREE** opportunity **NOW** before you actually need it! When an accident does happen, it's too late to fix the problems with your insurance coverages.
