L.A.M.A. Melbourne Has An Epic Weekend!

It began with a 2-3-hour Scenic Motorcycle Ride on Friday, April 10th that ended at the [L.A.M.A. Melbourne Clubhouse](#) with a BBQ, food and drinks. The clubhouse also served as a Meet & Greet for the big anniversary event that took place the following day. **Motorcycle Safety Lawyers[®]** was happy to hang out and socialize with our LAMA friends in such a relaxed, friendly atmosphere...and their clubhouse is really nice too!

On Saturday morning, April 11th, everyone was busy setting up for the **L.A.M.A. Melbourne 4th Anniversary Celebration**. It takes a Village, so to speak, to put on an event of this size and everyone pitched in to help from the members and associates to the sponsors and vendors. The venue was **Space Coast Harley Davidson**, and they pulled out all the stops to help make the anniversary event a huge success.

Here are some highlights from the Big Day:

The food was Off the Charts! The **Buffalo Soldiers** prepared and served all the food, which was delicious. They were grilling from early morning throughout the entire day. There were ribs, chicken, fish, mac and cheese, potato salad, collard greens, and more! What a feast it was!

There was a special guest appearance by **Ryan Evans** from Count's Kustoms Counting Cars, sponsored by **Motorcycle Safety Lawyers[®] (MSL)**. Ryan was on hand to chat with everyone, take pictures, sign autographs and just have a good time. MSL also commissioned Ryan to paint a custom skateboard deck that was presented to L.A.M.A. Melbourne to display in their clubhouse!

There was an unexpected surprise for one **L.A.M.A. Melbourne** member - Brandon. It was a unique collaboration by multiple people coming together to make a wish come true and present Brandon with his own motorcycle. **Space Coast Harley Davidson** donated a non-running 2016 HD Sportster, **Jim Lynch, Godfather Custom Cycles** will rebuild the bike and make it safe to ride, **Motorcycle Safety Lawyers[®]** will provide one-year of Roadside Assistance with their National Biker VIP Card and ship the motorcycle tins out to Ryan, and **Ryan Evans, Count's Kustoms** will give the bike a one-of-a-kind Count's Kustoms' paint job. Brandon is truly one lucky and deserving individual!

Several surrounding L.A.M.A. chapters were in attendance making for a day full of laughter, friendships and good times with all our brothers and sisters. There was plenty to do, plenty to see and plenty to entertain everyone including vendors, raffles, 50/50, bull riding, and axe throwing. And the DJ played a great selection of music the whole day.

All in all, it was a huge success with approximately 500 bikers in attendance.

May is Motorcycle Awareness Month

You have recently seen the message **Look Twice Save A Life** multiple times because [May is Motorcycle Awareness Month](#). And, we are in the thick of it as the weather starts warming up and riders start filling the roads and highways again. Unfortunately, vehicle drivers are not used to looking for motorcycles on the road, and the number of accidents is rising as well.

According to the 2024 Illinois Crash Facts & Statistics, in 2024, there were 303,913 crashes involving motor vehicles in Illinois. Injury crashes accounted for 20.8% of these crashes (63,109), while fatal crashes (1,085) accounted for less than 1.0% of these crashes.

Crashes involving motorcycles accounted for 1.1% of total crashes, 13.1% of fatal crashes and 3.8% of injury crashes.

There were 3,361 motorcycle crashes in 2024. 144 motorcyclists were killed. 2556 motorcyclists were injured. The number of motorcyclists killed decreased by 14.3% from 2023. Motorcyclists injured increased by 7.7% from 2023.

During the riding season, **Start Seeing Motorcycles** banners and yard signs will be on display throughout the state, reminding the public to always stay alert for motorcycles.

Please do your part and help spread the word to **Look Twice. Save A Life.**

- This means **check your blind spot** and **Look Twice** before changing lanes or merging into traffic. Be aware of your surroundings and being extra cautious to help keep the roads safe for all motorcycle riders.
- Allow motorcyclists enough space to maneuver and enough time to adjust if necessary.
- Use care when driving near a group of motorcyclists. If you need to change lanes or exit, signal your intention, and wait for the riders to create a space. Do not merge between riders unless you have enough space to do so safely.
- Most accidents with motorcycle riders occur when vehicle drivers are turning left. Because of their smaller size, **motorcycles can easily be overlooked** by other drivers. Make sure to **look twice** before turning, especially to the left.

Motorcyclists are Hard to See. When you watch for motorcyclists, you see beyond the motorcycle to the person underneath the helmet. They may be your friend, a neighbor or a relative. And to someone else, they may be a husband, mother, brother, or daughter. **Please Look Twice. Save A Life.**

Motorcycle Safety Lawyers® Sponsors Accident Scene Management Class For Combat Vets Association

The Road Guardians hosted a **Level 100 Accident Scene Management Class (ASM)** for 3 different chapters of the Combat Vets Association. The class was held on April 18, in Mt. Vernon, IL at the Elks Club.

Motorcycle Safety Lawyers® (MSL) was on site as a sponsor of the event. **Larry "Bear" Stotts**, certified **ASM** instructor assisted the lead instructor **Bobby Hill** in conducting the class. Each member paid \$50 to receive the training and **MSL** paid the balance of \$100. **MSL** provided pastries, coffee, lunch, dessert and beverages throughout the day to keep everyone energized! **David "Vegas" Shuman** was on hand to offer **FREE** Insurance Policy Reviews to the attendees and answer their insurance questions. Attendees brought their insurance declaration page to the training and learned what questions to ask their agent to provide them with better protection for themselves and their families in the event of an accident. Please note that **MSL** does not sell insurance.

ASM classes teach you what to do if you are in, witness, or come upon a motorcycle accident. Our **ASM Motorcycle Safety Courses** are far more valuable than your license to ride! Be prepared IF a rider goes down! Learn how to save a life and reduce injuries! You will be amazed at the confidence you will gain from your newfound knowledge and skills.

The **Combat Vets** had great things to say about the class and the information that they learned. Many expressed an interest in returning for the **Level 300 Class** to further expand their skills

and knowledge.

Call **Larry "Bear" Stotts** at **847-997-8403** or email him at Larry@motorcyclesafetylawyers.com to find out more about **ASM** classes and how you can sign up. Check Your Insurance – Before It’s Too Late!

Motorcycle Safety Lawyers® has had numerous recent cases where insurance has become a critical issue. When your agent tells you that you have “full coverage”, that may not be necessarily true. You may have the minimum coverage that your state requires, but it won’t cover your expenses in case of an accident – not by a long shot.

Get Your FREE Insurance Policy Review Today!

When was the last time you had your motorcycle insurance policy reviewed to make sure you had the right amount of coverage for you and your loved ones in the event of an accident?

Motorcycle Safety Lawyers® (MSL) wants you to be aware of all the costs involved in case of an accident, above and beyond what you may think, and the type of coverage that provides the most benefit for you and your family:

- Medical Costs
- Bills (Food, Mortgage, etc.)
- Lost Wages
- Fixing Your Bike
- And More!

This is **Not** something insurance companies will tell you.

Let **David “Vegas” Shuman** review your insurance policy **TODAY** for **FREE**. Show David your **Declaration Page** for a **FREE** insurance evaluation. We do **NOT** sell insurance. This is a **FREE** service that **Motorcycle Safety Lawyers®** provides for your protection.
