## 3rd Annual Bikes Back On Broadway

James Lynch and [Bike Show Mafia](#) hosted the 3rd Annual **Bike Show Mafia Myrtle Beach Bike Week Kick-Off Party** and **Bikes Back on Broadway, All Class Bike Show** on May 14-15, 2026. Since last year's event was so successful, Bike Show Mafia was invited back again to host Bikes Back on Broadway for another year! The venue was [Hard Rock Café](#) and the city of Myrtle Beach, who both came together to host another epic event put on by [Bike Show Mafia](#) and sponsored by [Motorcycle Safety Lawyers<sup>®</sup>](#).

Thursday evening was the **Bike Show Mafia Myrtle Beach Bike Week Kickoff Party** where VIPs enjoyed food, drinks, and entertainment. The **Hard Rock Café Myrtle Beach** was the host, and their service and hospitality was exceptional. Guests had an opportunity to mix and mingle with each other and there were special guest appearances by **Ashley Alexander**, [Shiny Side Paint](#), and **Dana**, [MetalWood Garage](#).

Friday was the big event with the Bikes riding in for the **Bike Show Mafia All Class Bike Show**. The Avenue of Broadway was filled with exotic, one-of-a-kind customized motorcycles. Besides all the different classes, there were special awards for **Peoples' Choice, Antique, Best Paint, Master Builder** and more! Once again, **Hard Rock Café** extended their hospitality, as the event continued through the afternoon. The judging took place, and the winners were announced in each class.

# World Record Jump Takes Place In Vegas!

Colby Raha beat his own record for the **World's Highest Quarter-Pipe Motorcycle Air Jump** on Sunday, May 17<sup>th</sup> at Caesars Palace on the Las Vegas Strip. The attempt took place at the same location that Evel Knievel's famed 1967 jump took place.

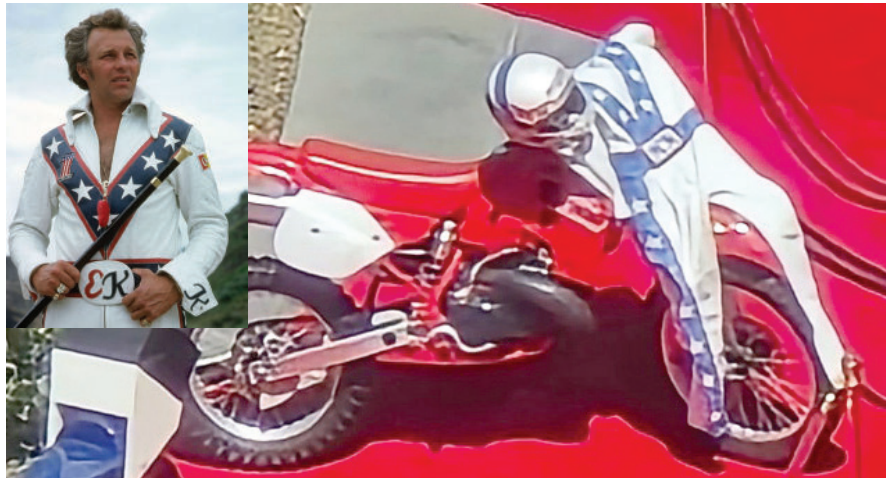

The jump achieved a vertical height of 94 feet from the floor of the Caesars Palace Fountains into the air and back down, which beat his old record of 90 feet. Raha was aiming to reach 100 feet but was unable to reach that height due to heavy winds. Custom ramps were built for the event. The event was part of the grand opening celebration of the Omnia Day Club and the resort's 60<sup>th</sup> anniversary celebration.

Colby Raha is a professional motocross rider and 7-time X Games gold medalist.

# L.A.M.A. Midwest Region Fundraiser

The [L.A.M.A. Midwest Region](#) held their 3<sup>rd</sup> Annual Motorcycle Fundraiser Ride on May 30, 2026. The ride began at Kegel Harley Davidson in Rockford, IL and traveled to Starved Rock Harley Davidson in Ottawa, IL.

The 100-mile scenic ride had a police escort the entire way with 120+ bikes participating from L.A.M.A. chapters throughout the Midwest region. There was a Poker Run included and 50% of the poker run funds were awarded to the winning hand. The ride included a few stops along the way to keep it interesting. The L.A.M.A. chapter with the most attendees was able to pick the charity to receive a percentage of the funds.

The ride was a huge success and brought the community together for a great cause. **Motorcycle Safety Lawyers®** sponsored the event and passed out **FREE swag** to all the motorcyclists and families in attendance. We also awarded prizes including a trauma pack, gift cards, and our National Biker VIP Card which provides 12 months of roadside assistance throughout the United States, Alaska, Hawaii and Canada.

Everyone had a great time and arrived safely.

# L.A.M.A. Perth Amboy Celebrates 13th Anniversary

The [L.A.M.A. Perth Amboy Chapter](#) celebrated their 13<sup>th</sup> Anniversary on Saturday, June 6<sup>th</sup>. Motorcycle Safety Lawyers® sponsored the event.

Our adventure began on Thursday evening at Perth Amboy High School where **LAMA Perth Amboy (LPA)** joined forces with **Motorcycle Safety Lawyers® (MSL)** to award two Seniors with a \$500 scholarship to further their education. The winners, Cristofer Luna and Nashla Giron, were chosen based on numerous essays that were submitted for evaluation and consideration. These two students demonstrated strength, resilience and perseverance and we are very proud of them and wish them all the best.

Friday night was the Pre-Anniversary 'Meet and Greet' Chicken & Fish Fry. What a great way to kick off the Perth Amboy 13<sup>th</sup> Anniversary! We all

met at the Clinton Elks Lodge #2434 in Pittstown, New Jersey and several of the members, including the President, cooked us a wonderful meal (with a secret Fried Chicken recipe that was delicious)! We all enjoyed getting together and having a chance to relax and finalize details for the following day.

The big event took place on Saturday. The weather cooperated for most of the day, and multiple LAMA chapters were able to ride in for the party. Everyone enjoyed each other's company and the Clinton Elks Lodge provided the perfect venue to host the gathering. There was plenty of green space for the games, ample bike parking, a covered area with tables, full kitchen for food preparation and serving, stage complete with a D.J. playing music, raffles, 50/50, and a bar for beverages. Everything you need for a good time and judging by the posts on Facebook, everyone did!

# Riding In High Temperatures Can Be Dangerous

When riding in hot temperatures, it is important to proactively plan in terms of hydration, gear and timing. Here are some **Key Safety Practices** to consider when the temperature gets hot.

**Hydration:** Make sure to drink plenty of water before you leave for your ride and consistently sip while riding. Add electrolytes if you are perspiring heavily.

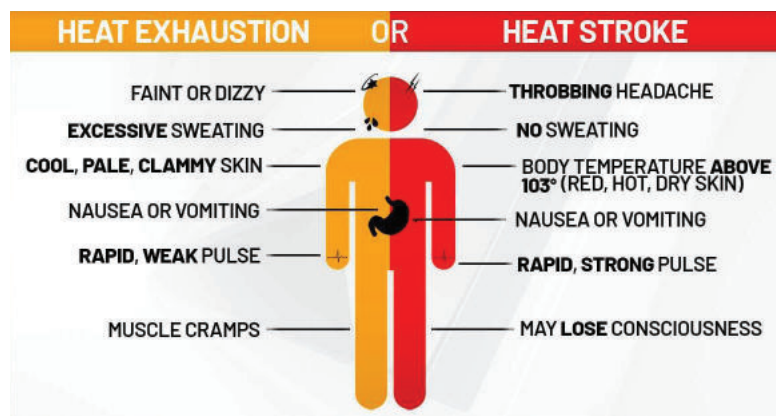

**Protective Gear:** Never ride in shorts, a t-shirt and flip flops. The sun will cause you to dehydrate quickly and get sunburn. Light-colored, mesh riding gear will allow airflow for cooling. And don't forget your helmet.

**Cooling Accessories:** Wear moisture-wicking layers. Soak a gator in cold water and place around your neck or try a cooling vest.

**Breaks:** Take breaks every 45 minutes to rest and rehydrate in a cool environment, if possible.

**Illness:** Know the signs of heat exhaustion or heat stroke. If you feel dizzy, fatigued, have a headache or stop sweating, get off the road, cool down and drink fluids.

Better safe than sorry. Plan ahead and have a safe ride!

## Check Your Insurance – Before It's Too Late!

**Motorcycle Safety Lawyers®** has had numerous recent cases where insurance has become a critical issue. When your agent tells you that you have “full coverage”, that may not be necessarily true. You may have the minimum coverage that your state requires, but it won't cover your expenses in case of an accident – not by a long shot.

### Get Your FREE Insurance Policy Review Today!

When was the last time you had your motorcycle insurance policy reviewed to make sure you had the right amount of coverage for you and your loved ones in the event of an accident?

**Motorcycle Safety Lawyers® (MSL)** wants you to be aware of all the costs involved in case of an accident, above and beyond what you may think, and the type of coverage that provides the most benefit for you and your family:

- Medical Costs
- Bills (Food, Mortgage, etc.)
- Lost Wages
- Fixing Your Bike
- And More!

This is **Not** something insurance companies will tell you.
