L.A.M.A. Chicago Summar Bash Party Time

It was a beautiful, warm fall night and perfect weather for an evening ride to the **L.A.M.A. Chicago Headquarters** for their Summer Bash. **Motorcycle Safety Lawyers® (MSL)** was happy to attend the event and get together to celebrate with the 'Mother Chapter' as well as the many other L.A.M.A. chapters in attendance.

It was a packed house with everyone having a good time both inside and outside. The DJ kept the music playing and everyone dancing throughout the night. There was plenty to eat and drink with fresh homemade Tacos for everyone. And the vendors were on hand for members to do a little shopping as well.

It's always fun to get together with our **L.A.M.A.** family and share updates, upcoming events, and find new ways that **MSL** can support them in their efforts. As a sponsor, **Motorcycle Safety Lawyers®** raffled off several prizes including **National Biker VIP Roadside Assistance Cards**, **Trauma Packs,** and **Gas Cards**. And of course, everyone received **FREE** swag!

Do You Have The Proper Insurance Coverage?

Join David 'Vegas' Shuman, CFO of **Motorcycle Safety Lawyers® (MSL)** as he discusses the importance of having the proper motorcycle insurance coverage to protect you and your family in the event of an accident.

"It doesn't cost that much more money to have the right protection", says David. "We want everyone to be aware of how much the medical costs, bills and lost wages could be in the event of an accident, and what type of coverage provides the most benefit. This is not something the insurance companies will tell you", explains David.

If you are interested in obtaining a **FREE** insurance evaluation, please email the declaration page from your policy to **David@motorcyclesafetylawyers.com**. He will review your information and tell you what you need to say to your agent to get the best possible coverage to protect you, your family, and the things you care about.
